Honorable Justices of Supreme Court of Michigan,

I have come to know that proposals are afoot to change Rule 2(B) of the Rules for the Board of the Law Examiners in order to bar LL.M graduates to take the Michigan Bar Exam. I believe the Justices of the Supreme Court of Michigan are competent to do that. But I have joined the LL.M classes in Buffalo Law School while relying on the representation of your Bar Exam Rules which permit LL.M Degree holder to take the Michigan Bar Exam. I have relied upon your Bar Exam Rules to my detriment when I decided to join LL.M classes in Buffalo Law School, Buffalo, NY. So my submission is that the Michigan Supreme Court should take into consideration the interests and rights of all those people who are situated in my position and would be affected by this change. One option could be that decision to change Rule 2(B) of the Rules For the Board Law Examiners may be delayed at least for 3 years.

Sincerely,  
Alamdar Shah  
Buffalo Law School Buffalo  
N.Y.
